Lac des Mille Lacs First Nation Healing & Wellness Newsletter May 2019

The Community Easter Egg Hunt was held on Saturday April 20, 2019 at the Lac des Mille Lacs Education Centre. This event was a big success with over 130 community members coming out to participate. Children aged 0-12 years had the opportunity to collect as many Easter eggs as they could fit in their baskets during their allotted time frame. **The community Elders even had a chance to hunt for eggs!** The day was filled with fun and laughter, there was an arts & crafts room, sidewalk chalk & bubbles, a BBQ lunch and even a visit from the Easter Bunny!

Three symbols make up the Aboriginal Healing and Wellness Strategy logo. The turtle represents Turtle Island. This is Mother Earth. The people are holding hands. This means they will help each other with their problems.

They are standing in a circle. This is the circle of life. The people are our friends, families and strangers—people who need our help or who are helping us.
