

The month of June has arrived and that means that "Summer Break" is just around the corner. This is the perfect time to get outside and enjoy the outdoors. One of the easiest ways to connect with our children is to spend time with them outdoors. Whether its going on a camping trip, going fishing, taking a hike or simply having a picnic at the park, get outside and enjoy what Mother Nature has to offer!

On Thursday May 9, 2019, the Healing & Wellness Department hosted our Annual Mother's Day Spa Party at A Spa For You. The mothers of Lac des Mille Lacs First Nation were treated to an evening of various massages, foot detoxes, therapeutic touch, paraffin wax and a whole lot of laughter.

Three symbols make up the Aboriginal Healing and Wellness Strategy logo. The turtle represents Turtle Island. This is Mother Earth. The people are holding hands. This means they will help each other with their problems. They are standing in a circle. This is the circle of life. The people are our friends, families and strangers

 people who need our help or who are helping us.
