

Indigenous Internship Opportunities with the Ministry of Natural Resources and Forestry

Experience working in the Ontario Public Service (OPS) – grow your future.

The OPS is dedicated to recruiting and advancing top talent while building a diverse public service that is reflective of Ontario's population and communities. These exciting opportunities offer recent Indigenous post-secondary graduates the opportunity to develop their careers and gain valuable work experience with one of Canada's Top 100 Employers.

Bring your knowledge, experience and perspectives to the **Ontario Public Service**. Working with a team of engaged professionals and dedicated leaders, you'll take the next step in your career in a dynamic environment that provides opportunities for personal growth, competitive salary, mentorship, learning and development opportunities, and work-life balance. The ministry has immediate opportunities for interns in the following roles:

- [**Aquatic Research Biologist \(Job ID 181409\) – 2140 East Bank Dr., Peterborough ON.**](#)
Work as part of a team to conduct applied research on fish populations in the Great Lakes and Lake Simcoe. The successful candidate will have the opportunity to support a number of different projects including Two-Eyed Seeing research on lake whitefish in collaboration with Saugeen Ojibway Nation, larval fish ecology and dynamics, hydroacoustics (ie sonar) surveys to monitor pelagic fish, acoustic telemetry research to track movement of cold water fish in Lake Simcoe and Lake Huron. Research activities will include field work, laboratory research, data analysis and reporting.
- [**Business and Financial Planning Intern \(Job ID 181577\) – 77 Grenville Street, Toronto**](#)
Join the Cluster Resources and Assurance Unit of the Land and Resources I+IT Cluster and work with a team that embraces strong financial management practices and new ways of working together. You will use your accounting and financial management knowledge and acquire hands-on experience in a public sector setting to make government programs and services more convenient, reliable, and accessible. If you are interested in working in business/financial planning on a wide range of innovative and exciting projects, such as assessing analyzing financial transactions, evaluating ministry-wide management processes, and preparing forecasting reports, apply today!
- [**Communication Intern \(Job ID#181418\) – 99 Wellesley Street West, Toronto ON.**](#)
The intern will play a supportive role by helping the senior planners, event planners, and designers with research and creating initial drafts of products. Once they gain an understanding of the processes the intern will be able to take on more low-profile items independently, to be overseen by a mentor. The intern works primarily in the strategic team, where they could support senior planners in the creation of communications plans and writing of communications products, such as news release and media QAs. They would also assist our events planner in coordinating events for the Minister. The intern will also experience what it is like to work in our digital/design unit, assists the team with audio/video work, graphic design and photography. The intern would be likely to come across a variety of projects related to wildlife, fishing, forestry, flooding and fire and many other files.
